television distribution system and the receiving wager information from the television wagering terminal further comprises receiving the wager information from the television wagering terminal via a telephone system connection.

24. The method of claim 18, wherein the providing the wager account information to the television distribution system and the receiving wager information from the television wagering terminal further comprises receiving the wager information from the television wagering terminal via a cable system connection.

25. The method of claim 18, wherein the providing the wager account information to the television distribution system and the receiving wager information from the television wagering terminal further comprises receiving the wager information from the television wagering terminal via a computer network connection.

26. The method of claim 17, further comprising:

receiving a telephone call from an external source, providing to the external source through the telephone call voice prompts that correspond to the wager account information, and receiving wager information from the external source through the telephone call.

27. The method of claim 26, wherein the receiving the telephone call from the external source, the providing, to the external source through the telephone call, voice prompts that correspond to the wager account information, and the receiving wager information from the external source through the telephone call further comprises receiving the wager information as signals generated in response to one or more telephone key depressions.

28. The method of claim 26, wherein the receiving the telephone call from the external source, the providing, to the external source through the telephone call, voice prompts that correspond to the wager account information, and the receiving wager information from the external source through the telephone call further comprises receiving the wager information as verbal commands that are spoken by a caller.

29. The method of claim 17, further comprising:

providing the wager account information to an external computer and receiving wager information from the external computer.

30. The method of claim 29, wherein the providing the wager account information to the external computer and the receiving wager information from the external computer further comprises providing the wager account information to the external computer and receiving the wager information from the external
